Board members,

We just received a report from the MV Transportation mechanic. It doesn't look very promising. I wanted to at least relay this information as we move forward in planning for eventually replacing these vehicles.

For your reference, I also included the refurbishing information of what we did back in January 2011. It appears to be all cosmetic work that was done.

No action for you to take. I just wanted to pass along this information.

Best regards,

Lorena Parker
